Fort Wayne is noted for its fine school system. However, this could not be were it not for the fine and able leader of the city schools, Mr. Merle J. Abbett. We are grateful to him for the many privileges we enjoy every day because of his efficient way in formulating and administering educational policies.

# Mr. Sidell

The gentle but cheerful nod we see when greeted by our guidance director, portrays the manner in which he goes about his many tasks — quietly, serenely, and generously. The guidance he offers is accepted appreciatively by every student.

# Miss Van Gorder

This year as dean has proven Miss Van Gorder untiringly helpful, with a pleasant smile on exhibition no matter how busy she may be. The kind way in which she performs even her sometimes onerous duties, will linger in our minds for a long time.

# Secretaries

It's a pleasure to make a business trip to the office, for there to greet us are these pleasant, congenial, and efficient secretaries, Frances Stobaugh and Verilene Nonneman. They play an important part in the smooth operation of the school.

The importance of the jobs represented on this page is realized all too little. Without the daily services these folk render so faithfully, life at school would be unpleasant. We are grateful to all of them for the interest they take in making our days happy days.

Middle left, linotype operator: Don Harkenrider.

Middle right, the cooks: Linnie Chronister, Belle Arnold, Mary Deal, and Alice Koehler.

Lower left, the press room workers: Paul Pfaff, Elmer Harkenrider, and Verne Ireland.

# Faculty

If it were not for the continual cooperation and guidance of the faculty, our school could not have the reputation of sending forth well-trained students. Their advice is not only appreciated now but will be worthwhile to those of us who leave this year.

# Seniors

At last we have come to the close of our high school years. After four years of hard work and good times, we have progressed to the place where we will receive a coveted diploma. The class of '51 has many things of which to be proud, for they have maintained the high standards set by preceding classes. Our class has many talented and good-natured members who will always be remembered for their fine contributions to South Side.

Carefully you voted, diligently we counted, and here are the results of the senior polls.

Upper left: These four seniors are mighty proud of their titles although they seem to be more interested in Tom's lunch. Tom Horan was named the best boy speaker, Marilyn Rheinfrank the best girl musician, Norma Plumley the best girl speaker, and Bob Carrel the best boy musician.

Lower left: The "most perfect lady", Sue Briner, and Rodger Martin, "most perfect gentleman" watch Wayne Stinson, "class clown", finish his beautiful picture of "Teecher."

Upper left, opposite page: Primping in front of the mirror to maintain their titles are Bob Loomis, the "most handsome lad", and Mary Catherine Strouse, the "cutest lass."

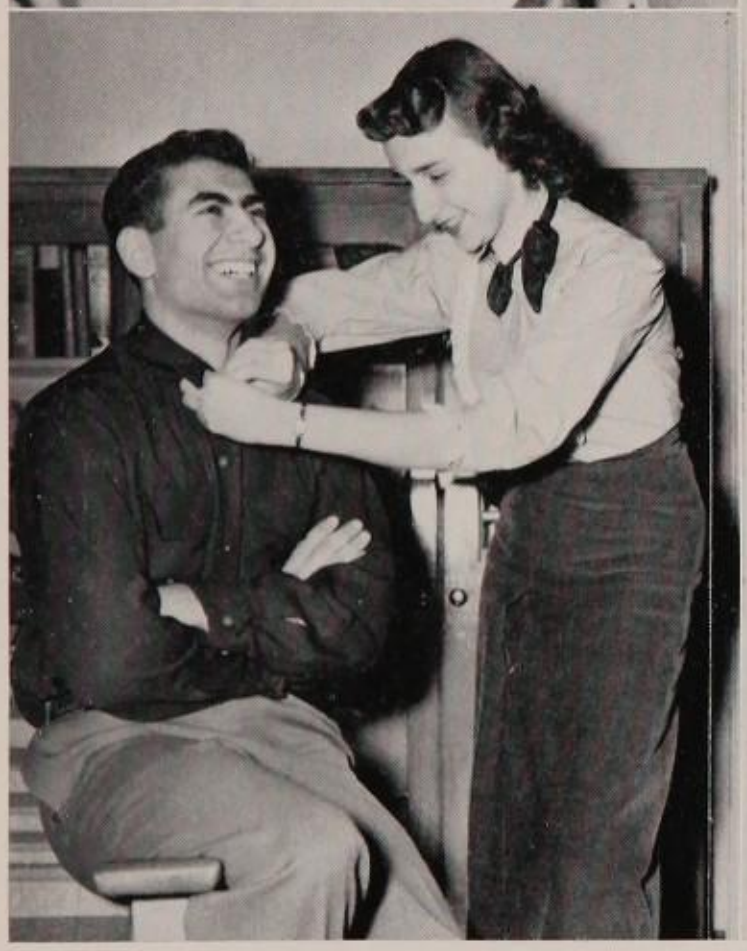
Upper right, opposite page: Luane Stewart, "best girl athlete", seems to be explaining the principles of basketball to a puzzled Jerry Ellenwood, the "best boy athlete."

Lower left, opposite page: Alex Tsiguloff and Sharon Smith are enjoying their titles, "most potent personalities."

Lower right, opposite page: Giving the janitors a helping hand are Lois Mossman, Phil Davis, and Dick Johnson. Lois was elected the most likely to succeed and also the girl in the senior class who has done the most for the school. Phil and Dick (with the mop) tied for the honors of the boy who has done the most for the school.

## *The End of a Perfect Day*

Senior officers are pictured taking part in their favorite sport. They are, left to right, Carl Jensen, social council; Bob Loomis, chairman of the social council; Alex Tsiguloff, president; Lois Mossman, social council, is serving as referee; Jerry Holloway, vice-president; Miss Mary Graham and Mr. J. H. McClure, those famous coaches; Jerry Ellenwood, secretary-treasurer; and Bill Davis, social council. With this great team no wonder the events of our senior year have been so successful.



# Seniors Make History

Leaving South Side at the end of four eventful years is a rather sad affair, yet finishing our senior year, with its many exciting activities, is something we all eagerly await.

All through high school, our class events have been most successful. Remember our Sophomore Party, "Cagey Capers", and the fun we had making the merry-go-round and all the other decorations?

"Carnival Tropicana", our Junior Banquet, will also be well remembered. The decorations as well as the food and program carried out the Spanish theme.

The Senior Reception started off the round of social events that help make up our senior year. Here our parents, teachers, and friends became better acquainted. Then came the Alumni Dance when we entertained our college friends.

"Among Our Souvenirs" was the theme of our Senior Banquet, which took us back through our high school years and even gave us a glance into the future. In April our successful Senior Play, "Don't Keep Him Waiting," was staged. Ivy Day helped to close our senior year, and at last we were allowed to watch the planting of the ivy. Next all our hard working classmates were honored on Recognition Day. Baccalaureate, the Senior Dance, and Commencement brought to a close our exciting and happy high school days.

Now we are ready to venture into the future, but we will all remember our days at South Side as the best, especially those of our senior year.

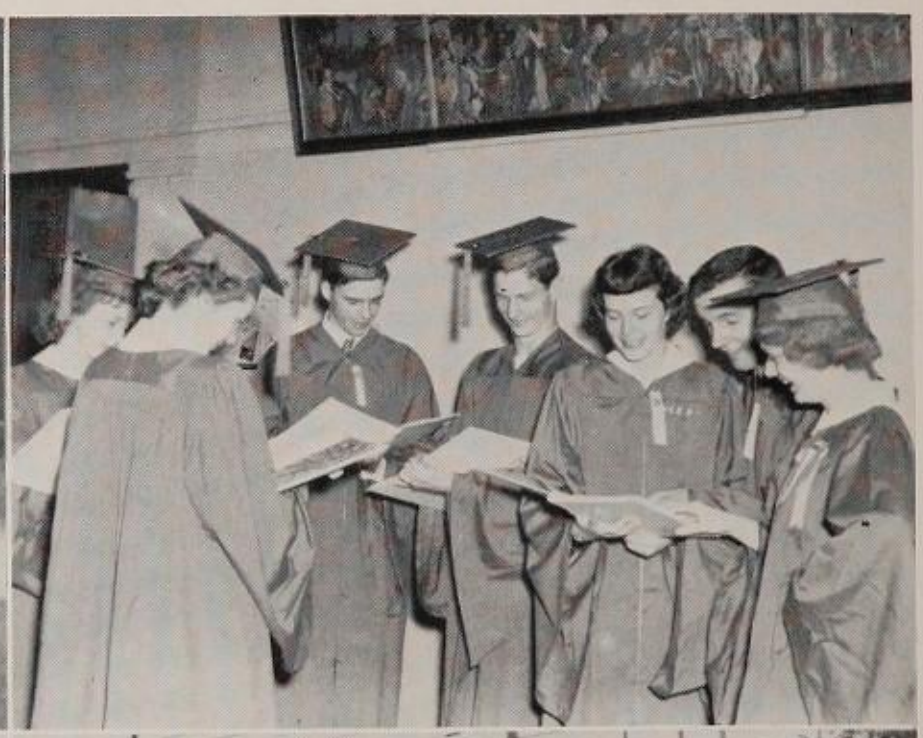
Recognition Day is one of the biggest events of our senior year. It is on this day that deserving and hard-working seniors are honored with ribbons and trophies.

The Senior Reception was another gala affair. There our parents met our teachers, our class officers, and our friends. By the expressions on their faces it is easy to see that a good time was had by all.

# Seniors' Memorable Moments . . .

Everyone seems to be having a wonderful time at the Senior Banquet, "Among Our Souvenirs." Seniors can be seen signing their Totems, which will be treasured forever. Bob Voelkel carries out the tradition of planting the ivy on Ivy Day. The Ivy Day procession around the school was witnessed by students as well as parents. Ivy Day and the parade was one of the high points of the year. Here is the view of the crowd of parents, seniors, and teachers who attended the Senior Reception.



# Underclasses

Their great day is yet to come. Many treasured memories and many profitable experiences will be theirs if they will keep up the good work. They will carry on the school traditions to future great days.

# Junior Poll *Sleepy in the Afternoon Sun*

The junior class of 1951 will have many pleasant memories to look back upon. Their banquet, "Passing Parade", in the cafeteria on November 17, was their first event this year. The decorations carried out the theme of the freshman, sophomore and junior years, and the senior year. The Junior Prom will always stand out in memory. The gym took on the air of "May Magic" on the night of May 4 and the juniors danced in a dream world.

The athletically-minded officers, aided by their advisers, ably guided their class through this successful year. In the upper left photo they are, left to right, Dick Van Horn, social council; Max Seaman, secretary-treasurer; Louis Mangels, social council; Miss Matha Thompson, adviser; John Sweet, vice-president; Mr. Jack Bobay, adviser; Gary Fryback, president; Dick Bragg and Alan Wuebbenhorst, social council.

A glimpse of the banquet in the upper right photo shows many satisfied and happy expressions.

Last fall the polls were taken and here are the results.

On the opposite page in the upper left photo Gene Beeler, "most perfect gentleman", looks very chivalrous while helping Marilyn Dunifon, "most perfect lady", down the step.

Lois Powell and Bob Wilkerson are looking over their speech notes in the lower left photo to keep their titles of "best girl speaker" and "best boy speaker."

Those in the upper right photo look as if they will go far in life. Yes, ready to give the school a good cleaning are Donna Roebel, Bill Osha, Nancy Plasket, and Judy Wilks. There was a tie between Donna, Nancy, Judy, and Jane Hattendorf for the title of "the girl most likely to succeed." Bill, his classmates have decided, will surely go far. He has earned the title of "the boy most likely to succeed."

In the middle right photo are Jane Hattendorf, Jackie Hurt, Louis Mangels, and John Sweet. Janie besides being one of those "most likely to succeed" is the "girl with the best personality" and "the girl who has done the most for the school." Louis is the boy with the "best personality" and the "boy who has done the most for the school." Jackie has captured the title of the "cutest girl" while Johnny has been named the "most handsome boy."

In the lower right photo Fred Stephani, "best boy musician", plays a difficult selection on his trombone accompanied at the piano by Georgette Gettel, "best girl musician."

Sue Beery and Gary Fryback were voted "best girl athlete" and "best boy athlete." The "class clown" is none other than unpredictable Jim LaBrash. These people were absent when the pictures were taken.

# Sophomore Poll *Top o' the Morning*

The sophomore class has been led by very capable officers. A result of their capability was shown by the big success of the Sophomore Party, "Dreamer's Holiday." This is the beginning of two much fuller years at South Side.

On this page in the upper left, Allen Wilson displays his talents as the class clown with the help of Sylvia Huss, who was voted the girl most likely to succeed. Dave Talarico, voted the boy most likely to succeed, was absent when the picture was taken.

On the upper right, we see the officers of the class of 1953 as they prepare to start a game of basketball. The players are, left to right: Don Rife, secretary-treasurer; Dave Talarico, vice-president; Jack Johnson, president; Jim Craig, chairman of the social council; and Dick Solaro, member of the social council. Carol Schneider, member of the social council, is ready to toss the ball. The class advisers, Miss Barbara Leif and Mr. Robert Weber, are acting as referees.

On the opposite page in the upper left, John Erwin and Sonya Mayberry, elected as the best musicians, and Ruth Havens and Ted Gugler, voted as the best speakers, enjoy the weather on a rare sunny day.

Jim Craig, voted as the most perfect gentleman, looks happy in between the two most perfect ladies, Carol Patberg and Sally Gilbert, in the center right picture on the opposite page.

Jack Johnson, voted the most handsome boy and the boy with the best personality, helps Ellen Hoham with her coat in the center left picture. Ellen was voted the cutest girl.

Carol Bowser, voted best girl athlete, tests the heft of Don Rife, voted best boy athlete. Don also received the honor of being voted the boy who has done the most for the school. Carol Schneider was voted the girl with the best personality and the girl who has done the most for the school.

# Freshman Poll *Dewdrops in the Morning Sun*

The freshman class of 1955 is just beginning to experience the wonderful times and opportunities that are found in South Side. The three years that lie ahead of these freshmen will be filled with many "great days", which will long be remembered. They have chosen from their classmates these boys and girls who have already helped to make their freshman year a great year.

*Upper left*: Marjorie Faulkner and Charlie Gibbs smile brightly, as well they should after having been chosen the cutest girl and most handsome boy. Sally Welch, best girl musician, and Lou Gerig, best boy musician, took time off from their practicing to make it a smiling foursome.

*Upper right*: Carol Cutshall, (standing, left) best girl speaker, looks over the shoulder of Dave Stonehill, best boy speaker. Dave was also chosen the boy most likely to succeed and the boy who has done most for his school. Nancy Kierspe, (standing, right) the girl who has done the most for her school, looks over the shoulder of Joan Blaurock, the girl voted most likely to succeed.

*Lower left*: While Jim Wilson, (center) class clown, is laughing hilariously at one of his jokes, Bob Henninger, the perfect gentleman, and Mary Long, the most perfect lady, try their best to tame him down.

*Lower right*: Sue Noble, (left) girl with the best personality, grins at Jim McGraw, boy with the best personality. The best athletes, Jack Kern and Mary Jayne Somers, sit calmly in the middle after a hard day's work in the gymnasium.

# Sports

The truly fine spirit, effort, and sportsmanship displayed by the fans, players, and coaches throughout the 1950-51 sports season were very commendable. Though we didn't always take first place, we always ranked high. The sports achievements of this year will always linger in the spirit of our school.

Ora Davis, athletic director, is pictured watching his son, Phil, an athletic manager as he prepares to do a portion of the athletic department's washing.

The cheerful service workers above aid Mr. Davis in the business transactions of the department. *Standing, left to right*: Beverly Greulach, Carlene Simon, Phyllis Landgrebe, Loanne Hollopeter, Mary Jo Mollenkopf, Grace King. *Sitting*: Carolyn Cannon, Virginia Buchanan, Betty Lahrman, Carol Bendel, Jean Manning.

# The Athletic Department

## *"It's a good day for shining your shoes."*

The members of the athletic department are the people behind the scenes who give all their efforts for the maintenance of better, smoother-running sports. Mr. Davis' service workers handle the business angle under his sage-like supervision. A few of their responsibilities are the sale of tickets and the recording of points.

Phil Davis handles a great deal of the department's washing, which occupies his time both during school and after school.

The equipment managers are well known by all varsity athletes. Bob Hinton, the senior manager, jokingly stated that his only trouble is finding some of the equipment. Some of their duties are stenciling numbers on equipment, handing out clean practice clothes, keeping first aid supplies, putting lines on the football field, and keeping records of all shoes and uniforms. Equipment managing is a year-round job that is an essential part of South Side's athletic program.

Those who help with the athletic equipment are, left to right: Robert Hinton, John Bowyer, Alan Mead, Gerhard Salinger, Ralph McClain, Richard Bauer, and Ronald Sonius.

# Our Coaches *Activating Our Archermen*

Mr. George Collyer, in addition to teaching history, has been working steadily with his excellent track and cross country squads. He and his boys receive slight, although very deserving, recognition in comparison with other sports. He received his B.A. from Butler University and his M.S. from Indiana University.

Another I.U. graduate, Marion "Feas" Feasel, has the responsibility to work with and develop strong football teams. Before getting a Master's Degree from Indiana University, "Feas" received a B.S. degree from Ball State Teachers College. He also teaches social studies.

Glen "Steb" Stebing is the very active man behind our hard playing basketball squad. History and driver training are the subjects he teaches. His higher education was obtained from Manchester College, B.S. and Indiana University, M.S.

Jolly E. Wayne "Scotty" Scott has an excellent knowledge of all sports; hence, his fine and appreciated services are required in all of South Side's sports and physical education. This chubby gentleman is also noted for his singing while at work and at play. His earnest and straightforward talks have helped many a football player. Michigan State College is his Alma Mater.

Everett J. Havens is kept busy with occupations classes during school hours. He is freshman football coach, assistant basketball coach, and tennis coach. His knowledge was gained in a large extent from Ball State Teachers College, B.S., and Indiana University, M.S.

Pictured at the left are, left to right, Wayne Scott, assistant coach, and Everett Havens, tennis coach.

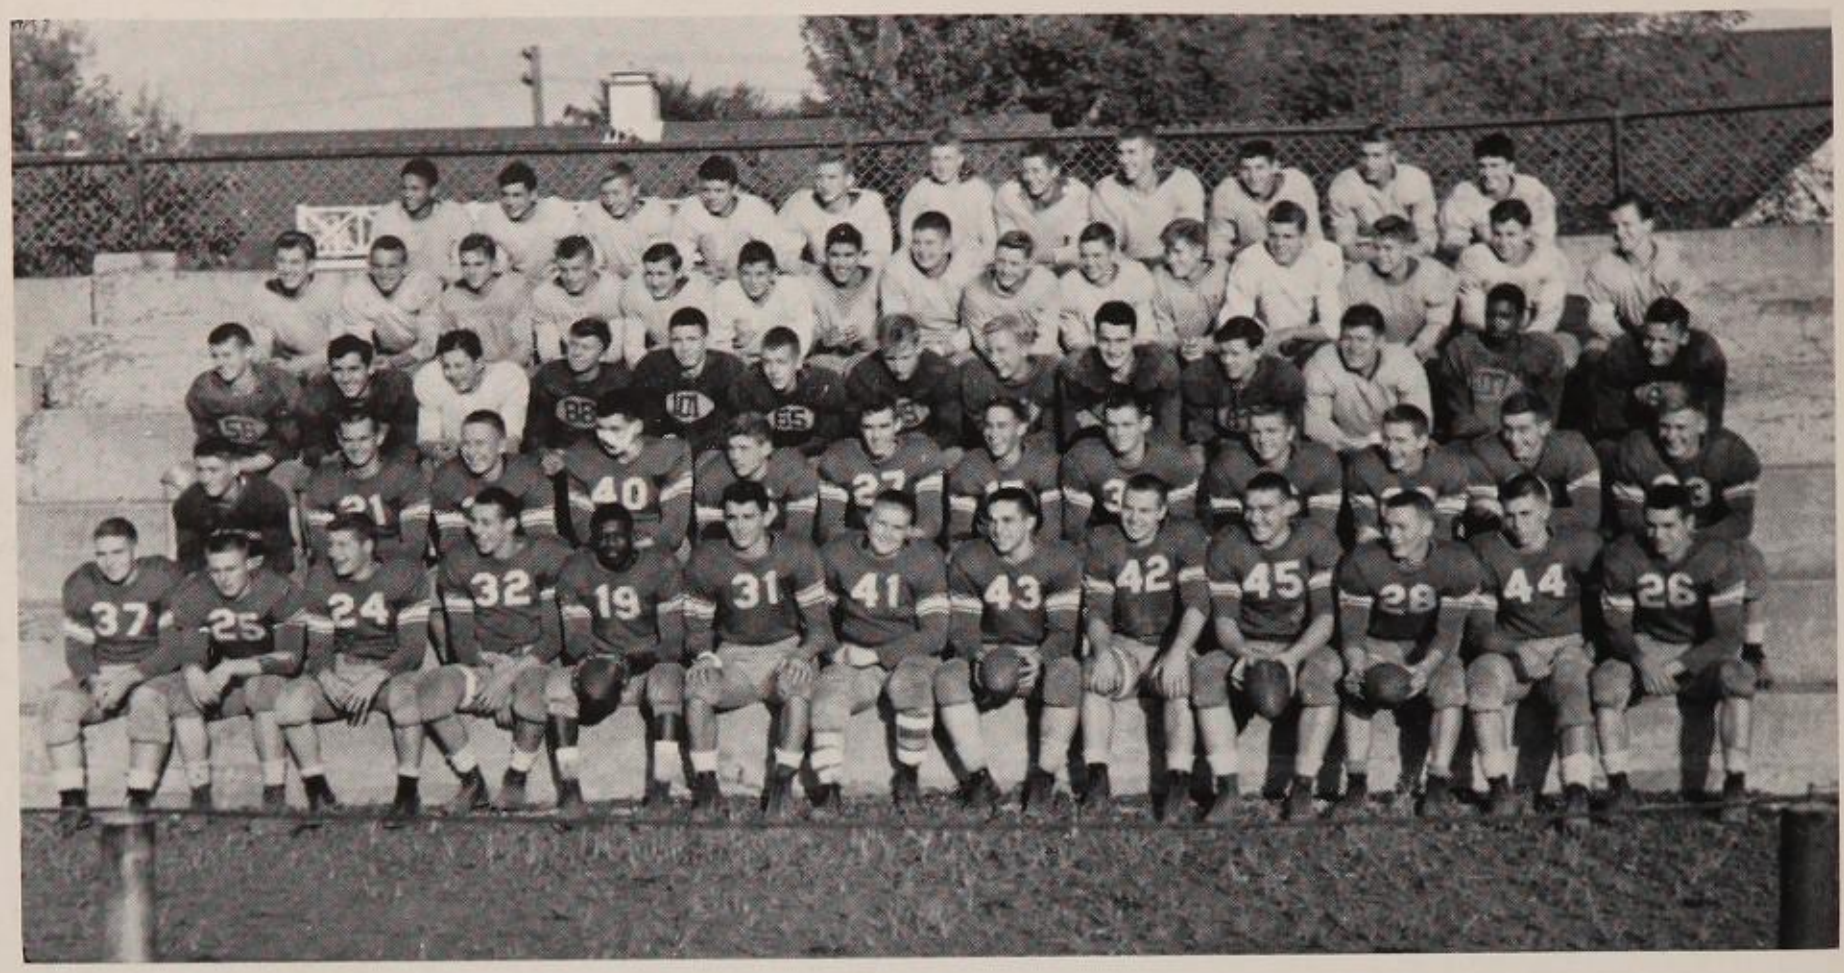
Go You Archers! Go You Archers! . . . . . this is just one of the cheers that ring out from the sidelines every fall as the Archer gridders march up and down the field. Sometimes they go forwards, sometimes they go backwards, but each man has just one idea in mind, just one goal to work for, MAKE THAT TOUCHDOWN!

For that one hour of glory on the field, there have gone hours of practice. But any player who's known the fraternity of singing in the showers or on the bus coming back from an out-of-town game, any player who has felt the thrill of making a good solid tackle, or even felt his chest swell a little as the crowd cheered him when he trotted into the stadium with the rest of the team knows that the sweat and sore muscles of practice are worth it.



In the above picture, those who played on this year's varsity and reserve teams are, left to right, row one: Bob Gotschall, George Yarian, Jerry Holloway, Carl Jensen, Charlie Littlejohn, Bob Loomis, Ralph Burch, Bill Levy, Jerry Ellenwood, Gary Fryback, Al Wuebbenhorst, Jim Buckley, Bill Davis. Row two: Harold Varketta, Max Seaman, Mike Melchoir, Keith Stephens, Keith Saylor, Don Kruse, Dick Van Horn, John Sweet, Don Rife, Jim Craig, Dave Heine, Louis Mangels. Row four: Keith DeArmond, Jack Kern, David Sutter, John Jessup, Jim Hornberger, Jerry Hudson, Jim McGraw, David L. Row five: Chester Blanks, Ronnie Fryback, Bill Patty, Freddie Augspurger, Johnny Adamonis, Jerre McManama, David Sutton, Bob Henninger, Tom Kale, David R. Davis, Cyril Laycoff.

# Our Gridmen

The hard working gridmen began practice long before school started while most South Siders were basking in the sun or lying comfortably in the shade. Sweat and dirt were their only rewards during strenuous practices. Working right along with our grunters were head coach, Marion Feasel, and assistant coaches, Glen Stebing, Wayne Scott, and Everett Havens.

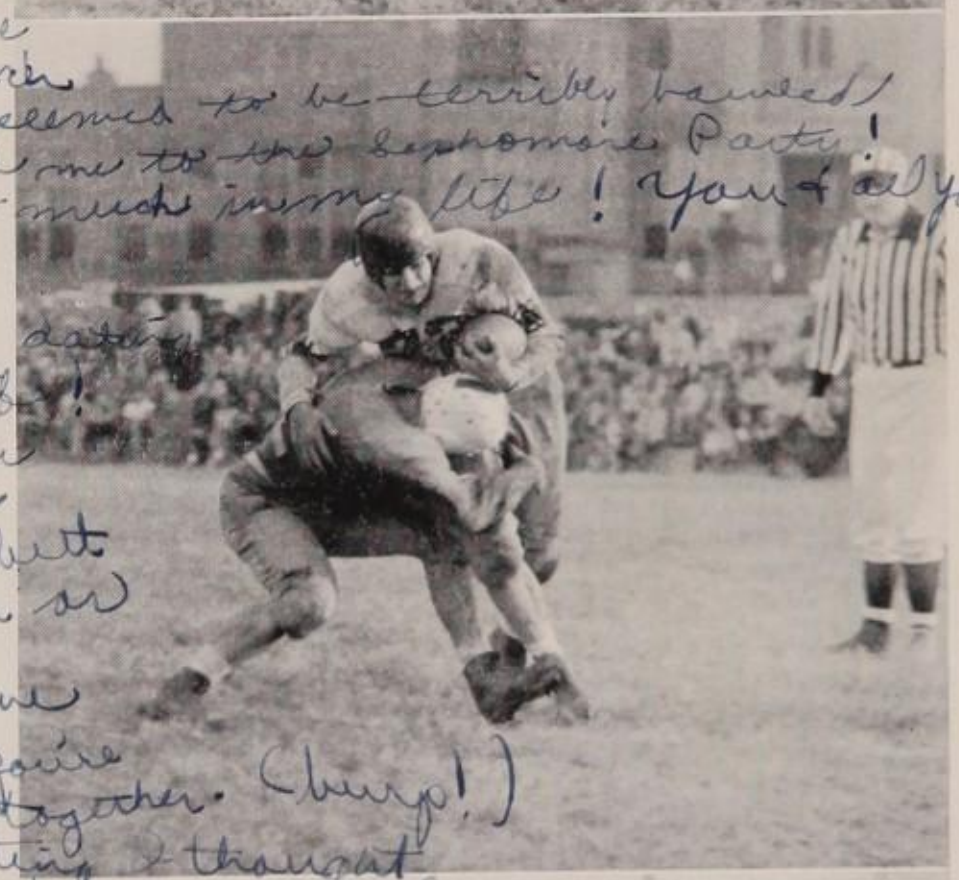
An early defeat by Mishawaka spurred the gridmen on to impressive victories over Bluffton and Froebel. A not-too-impressive record of four wins, five losses was finally tallied up at the conclusion of the season, but the fighting spirit and will to win, displayed by these boys, was evident to all spectators.

The team worked as one: never on the field was prejudice or partiality shown. No boy attempted to be a "star" if his means of attaining "stardom" meant dishonor or defeat for his team and school.

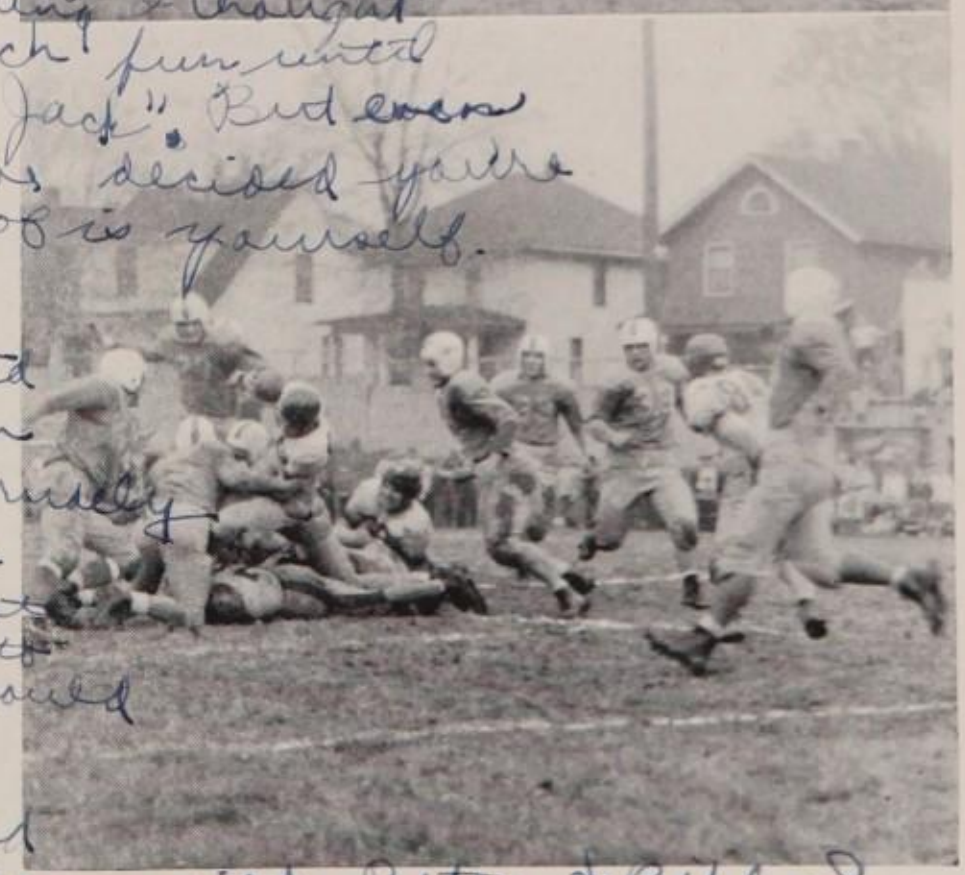
Several of last year's more promising boys lived up to expectations. Included among these are Bill Levy, Gary Fryback, Bill Davis, Jerry Holloway, Carl Jensen, Jerry Ellenwood, and Bob Loomis. The Archer backfield was handicapped when Jerry Holloway was put on the bench due to a head and later a leg injury; his driving power was shown at its best during the early part of the North Side game.

The snappy passes of Bill Davis and the classy catches of Carl Jensen and Bob Loomis will never be forgotten. Guard Charlie Littlejohn, the boy chosen as the most outstanding Archer player of the season, was most deserving of his title.

During our victorious game with Huntington, the hard-fighting reserves are downing an opponent. Sparkplugging the reserves are Don Littlejohn (13), Max Seaman (11), and Jerry Ellenwood (34).



George Yarian's progress was halted by this tackle, but not before he made considerable gain during a tie-in with Central Catholic.



The typical pile-up at right occurred during the Central Catholic game. Our gridmen came out with the ball in their possession.

I did- but you know me- I never know when to shut up!

Thanks for the joy ride- it was really fun! I hope you don't treat any other girl as

*Upper left*: Jerry Holloway is being stopped during the Huntington game. Bill Levy is running interference.

*Upper right*: Another Archer runner, Bill Davis, is being downed during the Bluffton game at the top right.

*Lower left*: Carl Jensen and Dick Van Horn are clearing the way so that Allan Wuebbenhorst can score during the Central Catholic game.

*Lower right*: Central gridmen, Brown and Sims, are finding out how hard it is to stop Jerry Holloway. Assisting him are Bill Davis, Bob Loomis, Bud Mangels, and Gary Fryback.

way you've treated me. I hope any other girl does treat you the way I've treated you - you don't deserve it!

# Basketball *Heroes of the Hardwood*

*Front row, left to right:*. Jerry Ellenwood, Dick Clark, Dick Bragg, Keith Saylor, Al McClure, Alex Tsiguloff.
*Back row*: Gene Towns, Bob Loomis, Gary Fryback, Jim Ruble, Dave Heine, John Sweet.

Coach Glen Stebing and his netmen ran across some really tough competition on the hardwood this season. After bucking against strong teams from Bluffton and Auburn, the Green hit a three-game winning streak by dropping Gertsmeyer of Terre Haute, Kendallville, and Decatur.

Inconsistent winning and losing streaks throughout the season left the Stebmen holding a record of 10 wins and 13 losses. Included in this record are the single Marion tourney victory and a double sectional victory. Both of the Concordia games were thrillers which created real enthusiasm among the fans and players. Other strong quintets dropped by Archer netmen were Richmond, Huntington, Crawfordsville, Hammond Clark, and Lafayette Central.

Among the remnants of last year's squad were Dick Bragg, Alex Tsiguloff, Johnny Sweet, Bob Loomis, Jim Ruble, Gene Towns, Gary Fryback, and Jerry Ellenwood. Aiding them were Dick Clark, Keith Saylor, Dave Heine, and Al McClure. These mighty men, our able reserves, and our most capable coaches worked strenuously to win honor and glory for our fair school. They may not be remembered for the games they won, but they will be remembered for the glorious way they played the game. Their sportsmanship and will-to-win stand as examples enough to make South Side very proud of them. Hats off to our netmen and everyone who made them what they are.

Left to right: Dick Cashman, Phil Davis, Phil O'Shaughnessy, and Don McBride the basketball managers.

# Track—Cross Country *Sizzling Cindermen*

Our track boys got underway this season with a flashing start. Coach George Collyer led his boys to a victory against Hammond and won the Marion Relays.

Our 440-relay team (Bill Davis, Don Personett, James Smith, Dick Van Horn) has established a new record of 45 seconds. The former school record was 45.9. Several of last year's aces were retained again this year to bring victory to our team. Among these are Don Personett, Charlie Littlejohn, Warren Anderson, Gene Trenary, Bill Davis, Ed Clark, Dick Johnson, Jim LaBrash, Lee Johnson, James Smith, Max Seaman, and Harry Clauser.

These boys labored hard to learn the tricks of their individual trades. Their efforts paid off in victories. Other records were broken at the Marion Relays.. Anderson, Littlejohn, Clauser, and Wuebbenhorst broke the mile relay record by a time of 3:41.3. The sprint relay record was broken by Barry Gemmer, Ken Horton, Littlejohn, and Wuebbenhorst with a time of 3:53.0.

Charlie Littlejohn jumped 20 feet 1½ inches for a new broad jump record. A jump of 5 feet 10¼ inches won Anderson first place in the high jump and a record. New records were established in the high and low hurdles by Lee Johnson with times of 15..9 and 24.1. The cindermen lost to Mishawaka and Muncie, but not without making a very fine showing in both meets.

Coach Stebing is developing some very fine material for next year's squad from the freshman thinly clads.

The managers at the left are Linn Kissinger, track; Bob Davis, all sports; and Ronnie Hodgin, track.

# Intramurals

## *Louie's Lads*

Intramural sports were founded by "Louie" Briner in 1929. The first activities were volleyball, tag football, basketball, track, softball, and handball. "Louie" has added new activities each year until they number nearly one hundred and cover a variety of sports. Varsity boys who are taking part in a similar sport may not participate. The only real requirement is that the boy have a parent's consent card.

The intramural letter system (125 points for the first letter, 250 points for the second letter, 375 points for the third letter, and 500 points for the plaque) is the only one of its type in the city of Fort Wayne. Only three boys have reached the five hundred point mark. These boys ars John Burke, '49; Dick Dettmer, '51; Dick Smith, '51. A large part of the male student body takes part in intramural activities yearly.

Chubby, happy-go-lucky Mr. Scott aids "Louie" in conducting the department's activities. He works primarily with noon activities and tumbling.

Pictured below is Louis "Louie" Briner, the tireless, good-natured leader of intramural activities at South Side. His slogan is "Athletics For All."

The girls shown here are only a small part of the group who worked so hard to make this year's Spring Show a success. In the top pictures, members of some of the dance classes give a version of a Scotch and Gypsy dance. Toe dancers and Dutch dancers, pictured in the center, also took part in the show. Modern ballet dancers, pictured below, gave a classical touch to the program.

much room, Thanks—
I've really had fun
going double with you
these past few months
and I do hope we can continue going double

Plans for the Totem have been developing since last fall, and finally they have materialized. The finished product represents many hours of work. The efforts of the staff are rewarded by the pride of the students in the book, by the satisfaction of completing a difficult task, and by the personal knowledge and pleasure they have gained from the experience.

South Side High School presents us with many highlights, and they form a great day in our lives. For this reason, the Totem staff selected "It's a Great Day" as an appropriate theme for the 1951 yearbook. They wish to acknowledge the kindness of Capital Songs, Incorporated, in allowing the use of the song "It's a Good Day" to carry out this theme.

The Totem is your book. May it bring you many pleasant memories to treasure always.

that is.) You're one of the bestest—BEAN—

# Times *Their time Makes your Times*

South Side can be justly proud of The Times, our fine school paper. Again this year, Quill and Scroll presented The Times with the International Honor Rating, the highest award possible for a school paper.

The Times also received the Columbia Scholastic Press Association Medalist Award, and an All-American Rating from the National Scholastic Press Association, both top awards.

In the fall, the paper won first in the state contest conducted at Indiana University by Sigma Delta Chi, journalism society.

Twenty-three seniors were recognized for their work in journalism by appointment to Quill and Scroll and by a banquet in their honor.

# Events

In our events we pledged our loyalty to our country and demonstrated our pride in South Side. The Freshmen and Sophomores will recollect their first school and class events. The Juniors and Seniors will always recall their banquets and dances. These are the great days; the ones in which we all took part.

# To Remember a Great Day...

To Jack,

I'm not sure what to write but I'll make an attempt. These last few months have really been a lot of fun, I've enjoyed being with you. Well Jack ~~[illegible]~~ our spats as most people do, I guess we wouldn't ~~[illegible]~~ be human if we didn't have a few spats.

Going back to when we first met, I thought oh brother a blind date, wonder what hell be like, then when you knocked on the door my knees were shaking. When the evening finally got started, I thought gee I've a peach of a affair and that's the end, but look what happened? We started, a little self conscious at first, that night, to kid and joke about each others streaks (You at S. S. and I at N. S.), when suddenly we discovered that that we both had so much in common, and I guess that with that understanding, there born a different feeling for each other. I know

that for myself that night
I guess I felt for you, all
the things I never let myself
think before. Oh, I know that
things sound silly to you.
At least I thought they
did! Until you called
me: You called me!
You'll never know, you'll
never know what it
meant to hear you call. For with your
call, I knew you felt the same as
I. And so we've had our fun, we've
had our spats, but more than that,
I know now what it means to
care and have
someone care for me.

Love always,
